

r17.3.7 Changelog

+-----+
| r17.3.7 Release - 70725 |
+-----+

Release day - 19th August 2020

Bug

- Web Module does not play video that is designed to autoplay upon landing on that web page
- Omnical: Access Violation on creating Alignment Points
- SpaceWidget: postRender clipping causes incorrect rendering for other widgets
- LiveUpdate: broken for DxTexture/Mesh/Notch (canLiveUpdate=false) resources added while in session
