

r24.3.1 Changelog

+-----+
| r24.3.1 Release - 158605
+-----+

Release day 10th May 2023

Fixes

- DSOF-24070 - Fixed an issue where it was not possible to scroll in larger nested folder structures
- DSOF-24191 - Fixed EX3 and Vx4n machine types being missing from HTTP APIs machine enums
- DSOF-24200 - Resolved an issue introduced that could prevent launching projects when spherical, perspective or parallel projections were in use.
