

## r30.3.3 Changelog

+-----+  
| r30.3.3 Release - 208330 |  
+-----+

Release day: February 12th 2025

### Fixes

- **DSOF-28985** - Duplicating projectors will no longer cause an ACCESS\_VIOLATION when certain GUI elements are open.
- **DSOF-29315** - System Diagnostics now include more detailed licensing logs for faster diagnostics.
- **DSOF-29352** - You can now copy and paste text into the interactable window of web modules.
- **DSOF-29378** - Mousing over the software version in the bottom right of the Track widget now shows the full version of Designer in a tooltip.
