

Designer r30.7.5 Release Notes

r30.7.5 - Hotfixes

[Download r30.7.5 Full \(Pro\)](#).

Full (Pro) build: 216640

Starter build: 216645

Released: May 7th 2025

Fixes

- **DSOF-30135** - Running RenderStream texture parameters in OCIO mode is now slightly more performant.
- **DSOF-30157** - Designer will no longer report "No Valid d3projects folder is specified" on launch when a folder is specified.
- **DSOF-30143** - d3Manager will now correctly display the version of projects again.
